**Rachael Mitchell** is the Head of Department of our Residential Conveyancing team in Leicester and Market Harborough.

In her 30 years in the legal profession Rachael has gained a vast knowledge and has become an expert in residential property law, dealing with everything from freehold and leasehold sales/purchases, new build properties, shared ownership properties, right to buy properties, help to buy equity loans, transfers of equity and new leases.

The senior conveyancers in our team have their own paralegals, which means that day-to-day communication and correspondence with customers is dealt with in an efficient and friendly way.

Hi-tech conveyancing software, InfoTrack, ensures an effective transaction process throughout.

Experienced in all aspects of the home-buying process, new builds, Help to Buy, Stamp Duty, mortgages, post-completion, HM Land Registry.

*“Property transactions of any kind can be extremely stressful plus they are the most expensive transaction most people will ever undertake so it’s important that clients have confidence in their conveyancer and are given all of the information about a property to make an informed decision which in turn makes the whole process a lot less stressful.” - Rachael Mitchell*
